
DVR Service Provider Explore Work Checklist

April 2020

- Visit Explore-Work.com and complete the courses (all staff providing service).
- Review [NASDTEC Model Code of Ethics for Educators](#) (all staff providing service).
- Review Explore Work [DVR Service Description](#) and [Report Template](#).
- View [Training Overview Webinar](#) (optional).
- Describe service delivery resources:
 - Technology requirements (hardware, software, teleconferencing platform with video and screen sharing, connectivity).
 - Qualifying staff experience, skills, or credentials.
 - Ability to individualize curriculum with respect to disability and cultural considerations.

We have completed the above requirements and will apply them as described during the delivery of this service.
